Do you have ideas for improving your hfes.org website? (we bet you *do!*)

Well, there's a Task Force for that. And ... we're inviting you to participate!

Come to the Lewis Room on Wednesday at 4:30 and help us brainstorm!

But, not so fast... Before you show up, please take a moment to participate in our three online surveys so we have a starting point.

Details at our website: hfergo.com

See you on Wednesday (and on the web),
